Nairobi,Kenya · 0794568397

Rotcivnjenga@gmail.com · **@victornjenga** · **civrot.com**

I am an IT enthusiast eager to learn and be a part of big projects that impact the live of others

EXPERIENCE

2020 – 2022

WEB DESIGN, FREELANCING

I have been building website since I learn how to use WordPress. This inspired me to learn web development to solve challenges I couldn't with content management system

2021 – NOW

DEVELOPER, DIGITALGURUS

I have been working at Digital guru making and developing websites. This has helped me to polish up my web dev skills even further

EDUCATION

2022

UNDERGRADUATE, JKUAT

I'm an undergrad at JOMO KENYATTA UNIVERSITY persuing Informational Technology

SKILLS

- JavaScript
- HTML5,CSS

- Python
- React JS
- Tailwind/

ACTIVITIES

I am currently working on a bunch of projects which poses various challenges but a great opportunity to master the core concepts of programming. I am eager to learn and gain more experience. I would be grateful if I had a chance to work in your company
